"The Targeting Maths for Victoria scheme is VELS compliant. It has been written for CSF II and provides complete coverage of the course with student books that are clear, fun and easy to use. The teaching guides (Prep - 6) include the following features: Outcomes and indicators clearly stated; Key vocabulary and material requirements; Detailed guidance on introducing and teaching the mathematical concepts and skills; Two photocopiable activity cards for each unit; The Activity Bank supplies a range of differentiated activities for consolidation, practice and extension; Easy-to-manage assessment with an assessment work sheet for each unit." -- Back cover.

Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class IX following the NCERT Textbook of Mathematics. The present book has been divided into two parts covering the syllabi of Mathematics into Term I and Term II. Term-I covers chapters namely Number Systems, Polynomials, Introduction to Euclid's Geometry, Lines and Angles, Triangles, Coordinate Geometry, Heron's Formula and Linear Equations in Two Variables. Term-II Quadrilaterals, Areas of Parallelograms & Triangles, Circles, Constructions, Surface Areas & Volumes, Statistics and Probability. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class IX Mathematics. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. The book also covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the actual Class IX Mathematics Examination. As the book has been designed strictly according to the NCERT Textbook of Mathematics for Class IX and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class IX students in an effective way for Mathematics.
