ARISE Work In Progress: Anger Management teaches teens how to control and manage their anger. Topics explored include anger triggers, different types of anger, communication and listening, mediation, bullying, peer pressure and avoiding fights. How does this work?Everyone jokes about the ferocity of Maine winters, but driving in them is no laughing matter, which is why in order to get your driver's permit, you need to thoroughly study this: the Maine Driver's Handbook. Even if you've lived in Maine your entire life, there are probably things you don't know, and this latest version, which we pull directly from the Maine Bureau of Motor Vehicles page, contains only the very latest in laws and regulations. Once you feel comfortable with the handbook information, you can start practicing with our free Maine permit practice tests, so that you'll be prepared for the real exam. Finally, it'll be time to schedule the exam, and soon, you'll have a Maine driver's permit of your very own!

CONQUER COMPREHENSION WORKBOOK 1 is designed for students to practise and work on answering the different types of comprehension questions found in the multiple-choice and open-ended formats. The passages are carefully graded into three levels: Basic, Intermediate, Advanced. The main objective of the Basic level is to lay the foundation to build up a student's confidence in tackling comprehension. In the Intermediate level, the passages encourage higher-level thinking and understanding. The Advanced level challenges a student to think beyond the ideas presented in the passages. The wide variety of themes and genres also serve to widen a student's exposure to the different text types which are currently taught in schools. The different questioning techniques aim to develop a student's comprehension and inference skills. Thinking questions are incorporated to allow a student to exercise his opinions and make his conclusions. A glossary is included after every exercise to help students comprehend the passage better. It also increases a student's vocabulary and will aid in other writing, reading and comprehension exercises. These varied and useful exercises should give a student greater confidence when doing comprehension tests.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.
