***Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts Shadowland soberly and frighteningly exposes occult influences hidden especially within Washington's Deep State and modern culture. From Jeffrey Epstein to the Clintons-from Obama and Biden to the Occult Elite-Dr. Thomas Horn uncovers terrifying realities behind today's polarizing culture war and the energies operating behind the contest for dominance over values, beliefs, and religious practices. Now, for the first time ever, readers will discover: Occult practices and enthroned "Egregores" over the mysterious shadow empire? Diabolical "body count" lists and "sacrificed" whistleblowers? Jeffrey Epstein and Shadowland's deals with the Devil? Hillary Clinton and the bizarre effort to summon Antichrist? Whether some in "Christianity" have joined Luciferian objectives? What really was behind the Russia Hoax and Trump impeachment effort? Shocking facts about Obama and his so-called Birth Certificate? Contrasting visions for America-Progressives vs. Conservatives ? And much more! Dr. Thomas R. Horn is a long-time television and radio personality, publisher, and best-selling author. What even the best researchers of the Illuminati and veiled fraternities such as the Freemasons were never able to fully decipher is spelled out herein for the first time. The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Perhaps most incredibly, one learns how ancient prophets actually foresaw and forewarned of this time.

Russia, again, is on the move. The news headlines proclaim it. Georgia was first. Then, Ukraine and the invasion of Crimea. Meddling in the elections of the United States followed. For the fourth straight year, Forbes has ranked Vladimir Putin as the world's most powerful person—even above the president of the United States. Like it or not, the world has descended into a new Putin-led Cold War 2.0. As the storm clouds gather, America sleeps. Russia's hand in Syria and its closer ties to Iran are especially alarming to those who know Bible prophecy and the book of Ezekiel. Putin is poised right now on Israel's northern border—an ominous sign of our times. What does the Bible say about our troubling times? In *Russia Rising*, Mark Hitchcock, popular speaker and Bible prophecy expert, explores the history of Russia and its current military moves. He will explain the biblical prophecies related to Russia, the Middle East, and the end times. The tracks of the Russian bear lead to the Middle East and Israel. Are we on a collision course with Russia?

The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood. Many cultures also claim that someday the world will again be destroyed in a similar fashion. In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed a sign. Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

Authors Cris Putnam and Thomas Horn follow up their 2012 publication *Petrus Romanus: the final Pope is here* with new findings such as: the Vatican's plan for the arrival of an alien god, secret files in the Vatican library on the reality of the alien presence, Project L.U.C.I.F.E.R and the hidden quest for the "Fallen Star," and more--Adapted from P. *The History of the Church or company of those who by faith have received Christ and become His followers, is still in the making, not yet complete. On this account and because of its immense extent, although it is of supreme importance, parts only of it can be written and from time to time. First one, then another, must relate what he has seen or has learned from trustworthy records, and this must be taken up and added to as stage after stage of the long pilgrimage is traversed. *Since the fall of mankind, death has been an unavoidable element faced by each man and woman who walks this planet. For some, this subject is the source of great anxiety, while others accept this to be a natural part of life. *Destiny of America. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to "one nation under God." Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris, and even farther back as Nimrod, whom Masons consider to be the father of their institution.*

**One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the “Watchers” who spawned “Nephilim” resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? Nephilim Stargates and the Return of the Watchers is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. **Following the release of their first three international bestsellers--Petrus Romanus, Exo-Vaticana, and On the Path of the Immortals--Thomas Horn and Cris Putnam were swamped with interview requests from radio, television, and print media outlets around the world. When they accurately predicted the resignation of Pope Benedict XVI one full year in advance, even naming the precise time he would step down, global shockwaves raised compelling questions regarding why the Vatican has an advanced telescope set atop Mt. Graham in Arizona where the Jesuits admit they are monitoring "something" approaching Earth. After the authors' second report was published in Exo-Vaticana, the pope's top astronomer took to the airwaves in an attempt to explain the role he and other church astronomers are playing in regard to the LUCIFER device, as well as their developing doctrines concerning extraterrestrial life and the impact it may soon have on Earth's religions (Christianity in particular). Then, in the third book by Horn and Putnam, the authors set out with cameras and field investigators to unearth their most astonishing discovery yet: Mt. Graham is a "portal"--the Native Americans who fought the Vatican and NASA told them--a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. **The claim has been made by a number of prophecy writers that the early church was predominately premillennial on millennial issues and exclusively futuristic on almost everything else. This means that early Christian writers who commented on prophetic passages like the Olivet Discourse (Matt. 24, Mark 13, Luke 21) believed and wrote that the biblical authors were always referring to events in the distant future just before the return of Christ. While these claims have been made with certainty, there has always been a lack of clear historical documentation to back them up. Sometimes the historical record has been stretched and exaggerated to fit an already developed theory. But since the futurist perspective has been promoted as an early church reality by so many for so long, few people today actually question it. The *Early Church and the "End of the World"* is the first book to question the prevailing futurist view by a careful study of the historical record. The *Early Church and the "End of the World"* asks this fundamental question: What did the earliest of the early Christian writers actually believe about prophetic events? We can only answer this question by actually studying what they wrote. Unfortunately, we do not have a complete record of the period. To make our historical investigation even more difficult, there are translation issues. Many of the works of those who wrote soon after the destruction of Jerusalem in A.D. 70 and beyond remain untranslated. This book seeks to remedy some of these problems. Thomas Ice, in his chapter on the history of preterism in *The End Times Controversy*, makes some bold historical claims that cannot be supported when the historical record is actually analyzed. The early church was not monolithic in its views of Bible prophecy. There was no unanimous acceptance of either premillennialism or a distant futurism. The *Early Church and the "End of the***

**World" will show that some of the earliest writers, most likely writing before the destruction of Jerusalem in A.D. 70, were referring to the judgment coming of Jesus, an event that the gospel writers tell us was to take place before that first-century generation passed away (Matt. 24:34). Adding to the confirmation of this view are the writings of the church's first historian, Eusebius Pampilus of Caesarea, whose Ecclesiastical History is a window on the first few centuries of the church. In addition, Francis Gumerlock has undertaken the task of translating a number of ancient and medieval commentators who have written on Matthew 24. He shows that many early and medieval writers believed that these prophecies had already been fulfilled before the end of Jerusalem, that is, before its destruction by the Romans in A.D. 70. - Publisher.**

SABOTEURS is the most critical and groundbreaking work to date by prolific investigative author Thomas Horn. From his earliest opus on secret societies and the occult to this new unnerving chronicle, Dr. Horn returns to Washington, DC to expose a harrowing plot by Deep State Alister Crowley and Masonic devotees that hold an almost unbelievable secret they do not want you to understand: American society is being manipulated through a Washington-based Shadow Government in quest of that Final World Order prophesied in the books of Daniel, Revelation, and on the Great Seal of the United States! SABOTEURS goes beyond the superficial chaos currently playing out in the public square and in media against the Trump administration to unveil a far more sinister resistance made up of sorcerous elites, their secret societies, and world power brokers who plot the insidious rise of a messianic strongman figure they call The Grey Champion. This investigation addresses: The supernatural truth behind the Trump Derangement Syndrome; How the federal bureaucracy is a tool of Deep State Occultists; Shocking revelations about Satanism in the US Capitol from WikiLeaks; What's in the Shadow Government two miles from the White House; Obama, Alinsky, and a dedication to Lucifer; Steve Bannon, the Fourth Turning, and The Grey Champion; The Necronomicon and why ZENITH 2016 may have just been fulfilled; Why Rabbis in Israel believe Donald Trump is paving way for Messiah; Hidden truth about Pope Francis and Dr. Horn's next major prediction; House of Cards, the Bohemian Grove, and the secret deal that was done; Hilarion, witchcraft, the Babalon Working, and Spirit Cooking 2020; And much more! Dr. Thomas R. Horn is a long-time television and radio personality, publisher, and best-selling author. He also serves as the Chief Executive Officer of SkyWatch TV and Defender Publishing.

For more than 800 years scholars have pointed to the dark augury having to do with "the last Pope." The prophecy, taken from St. Malachy's "Prophecy of the Popes," is among a list of verses predicting each of the Roman Catholic popes from Pope Celestine II to the final pope, "Peter the Roman," whose reign would end in the destruction of Rome. First published in 1595, the prophecies were attributed to St. Malachy by a Benedictine historian named Arnold de Wyon, who recorded them in his book, Lignum Vitæ. Tradition holds that Malachy had been called to Rome by Pope Innocent II, and while there, he

experienced the vision of the future popes, including the last one, which he wrote down in a series of cryptic phrases. According to the prophecy, the next pope (following Benedict XVI) is to be the final pontiff, Petrus Romanus or Peter the Roman. The idea by some Catholics that the next pope on St. Malachy's list heralds the beginning of "great apostasy" followed by "great tribulation" sets the stage for the imminent unfolding of apocalyptic events, something many non-Catholics would agree with. This would give rise to a false prophet, who according to the book of Revelation leads the world's religious communities into embracing a political leader known as Antichrist. In recent history, several Catholic priests—some deceased now—have been surprisingly outspoken on what they have seen as this inevitable danger rising from within the ranks of Catholicism as a result of secret satanic "Illuminati-Masonic" influences. These priests claim secret knowledge of an multinational power elite and occult hierarchy operating behind supranatural and global political machinations. Among this secret society are sinister false Catholic infiltrators who understand that, as the Roman Catholic Church represents one-sixth of the world's population and over half of all Christians, it is indispensable for controlling future global elements in matters of church and state and the fulfillment of a diabolical plan they call "Alta Vendetta," which is set to assume control of the papacy and to help the False Prophet deceive the world's faithful (including Catholics) into worshipping Antichrist. As stated by Dr. Michael Lake on the front cover, Catholic and evangelical scholars have dreaded this moment for centuries. Unfortunately, as readers will learn, time for avoiding Peter the Roman just ran out.

The short; cryptic prophecies of St. Malachy; the Primate of Ireland; made circa 1140 while on a visit at Rome; about each Pope from his time till the End of Time—all based on visions he had at the time. From what we know of recent Popes; these prophecies are accurate; based on interior evidence alone. What is so very sobering is the fact there are only 2 Popes left after Pope John Paul II!!

tax collector, a zealot, and a traditional Jew share a meal together in peace...but following just a short time in Jesus' presence, these barriers crumbled. The influence that Christ had on the men in His day has been celebrated for two thousand years. The overlooked question within mainstream Christianity remains to be: What influence did He have upon women, and what statements did His words and actions make in relation to gender equality? Is it possible that while Jesus Christ, Himself, recognized appropriate gender roles, He also intentionally began the first Women's Liberation Movement? As sensational as this may sound, the proof is in the Word of God, and in the proper contextual analysis of it. IN THE HANDMAIDEN CONSPIRACY, YOU WILL: \*Follow the cultural and historic backdrop behind Paul's words in 1 Corinthians and 1 Timothy—the 'trouble verses' in relation to the issue of women leadership in the Church—and understand more properly what he was responding to when the epistles were written. \*Discover what the original Greek nouns and adjectives meant in Paul's 'greeting' orders, the women that he was both commissioning and commending as fellow ministers of his own circle (Phoebe, Priscilla, Junia, and several others who were suddenly equal to men in ministerial commission), and the misleading translational and interpretational errors that continuously assist in perpetuating an erroneous concept that women should always remain silent in the work of Christ. \*Reflect upon the women Jesus knew, both from Scripture as well as in person, and the groundbreaking, permanent changes He made regarding their rights, their value, and their role in delivering His message to the world. \*Understand why the prohibition of women as equals in leadership is not only unbiblical, it is actually doing harm to the Church today.

**Blood on the Altar**

*Are you missing half the story about the last days? Virtually all attention these days is focused on the coming Antichrist—but he is only half the story. Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy—a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. "The Catholic church has changed" is what we hear. Or has it? In *A Woman Rides the Beast*, prophecy expert Dave Hunt sifts through biblical truth and global events to present a well-defined portrait of the woman and her powerful place in the Antichrist's future empire. Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt. A provocative account of what the Bible tells us is to come.*

*Every generation of people think that their problems are the most important ever. As history flows without interruption and doomsday scenarios fail, the following generations focus on their own contemporary events, ignoring or underestimating the past. In this way people always see "signs" in their times and the end of the*

*The Supernatural Worldview is a book of Christian apologetics from an apocalyptic perspective. Many supernatural and paranormal phenomena are examined with biblical discernment and some of the usual evangelical answers are found wanting. Even so, cautiousness is encouraged and an ominous trumpet sounded in light of prophetic predictions.*

*As the world races toward its momentous end-times encounter between good and evil (known in the Bible as Armageddon), a deepening antagonism is developing worldwide against conservative Christians. According to a 2014 Pew Research Center report this hostility now includes the United States, which elevated from the lowest category of government restrictions on Christian expressions as of mid-2009 to an advanced category in only the last three years. This trend may point to one of the most overlooked aspects of Bible prophecy--a war that ultimately pits born-again believers against religious Christians. The inspired texts themselves say a time is coming when "whosoever killeth you [true Christians] will think that he doeth God service." In Matthew 24:9, Jesus further warned: "Then shall they deliver you up to be afflicted, and shall kill you," and in the book of Revelation it describes this era as when Antichrist will have power "to make war with the saints, and to overcome them..." (Rev. 13:7; Dan. 7:21). All this unfolds as a False Prophet emerges--a final global superchurch leader that causes "as many as would not worship the image of the beast should be killed" (Rev. 13:15).*

Although microchip implantation might be introduced as a voluntary procedure, in time, there will be pressure to make it mandatory. A national identification system via microchip implants could be achieved in two stages. Upon introduction of a voluntary system, the microchip implantation will appear to be palatable. After there is a familiarity with the procedure and knowledge of its benefits, implantation would be mandatory. --Dr. Elaine M. Ramesh, patent attorney for Franklin Pierce Law Center Most people today are familiar with radio-frequency identification (rfid) technology that is increasingly expanding in public and private firms as a method for verifying and tracking inventory and people. Yet how many know a plan exists for the widespread adoption of human microchipping beginning in the year 2017? While testimony has been given that safety

place to ensure privacy in connection with implantable biometric identification, some believe confidentiality is the last line of defense. Internal radio transmitters will protect--that in fact the plan to microchip humanity smacks of the biblical mark of the beast. Has an end-times spirit indeed been pushing for adoption of this technology this generation? Students of eschatology (the study of end-times events) find it increasingly difficult to dismiss how this all looks and feels like movement toward fulfilling Revelation 13:16-17: "And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand and in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of the name." Now, as newer versions of rfid-like transmitters become even more sophisticated--adding other "prophetic" capabilities such as merging human biological matter with transistors to create living, implantable machines, the authors of this book, a former police detective and a bestselling prophecy writer--have come to believe the possibility that the mark of the beast, through a version of this technology is substantial.

In every generation, when dangers gather, there is a group of men and women courageous enough to confront evil and speak to the populace. Sometimes unpleasant truths need to be presented; most of us would rather stand back and kick a toe in if we know, let someone else do it. Someone else is courageous enough to tell us the truth. Tom Horn & Friends research and write about some of the most important topics of our time. Pandemonium's Engine is the vehicle through which Tom Horn's elite team of commentators are informing a still-sleeping public about radical changes coming to our culture...very specifically, the technological advances that have brought us to the doorstep of life-altering realities are such that the average street is struggling to make sense of our world. The book you are about to read is a landmark offering, making such "transhumanism" compelling reading. A shadowy world of intrigue, power-grabs, and seismic changes in daily life is the stuff of sci-fi movies. Yet the authors contributing to Pandemonium's Engine show us in disturbing detail that these mind-blowing technologies are quite real. For example, Cris D. Putnam writes in "Christian Transhumanism: Pandemonium's Latest Offering" "Transhumanism is a transnational technocratic trend that promises to break through human biological limitations by redesigning humanity." Sound like a campy Star Trek episode, or a movie plot from Stanley Kubrick? As a matter of fact, they are, but rooted in present reality. Change agents in our world are working feverishly to harness the powers of human technology and wreak havoc on our way of life. Chuck Missler writes in "Pandora's Box for the 21st Century? The Sorcerer's Apprentice" "The seductiveness of medical advances mask a diabolical agenda. For example, he mentions that the drive to, among other things, develop receptors that could impinge the constriction of blood vessels and thus the scourge of hypertension is a source of optimism. As are drugs that inhibit damage from brain trauma, or genetic research that could cure diabetes. But Chuck Missler warns that some researchers would trample over ethical boundaries and move past such positive research into frontiers hitherto meant to go. Frederick Meekins' chapter, "Examples of Transhumanism in Popular Culture" identifies how we have been

brought along to accept technologies. We've been conditioned, by popular television series like Star Trek, and films like Spiderman, to subtly be prepared for radical, sweeping tampering with the human mind and body. John McTernan writes about "embodied intelligence" robots, biocomputers, and other space-age technologies many of us have made the mistake to believe lie in the realm of fiction. Providing perspective is Noah Hutchings, who traces advances in technology from the time of Noah, to the present time. All these authors, and several more, provide a searing report on just how ambitious the buildings of New Babel really are. Pandemonium's Engine will stun you. That's good. You need to wake up. History shows that those who make reasonable preparations are much better equipped to deal with colossal changes than those who prefer to follow the handlers. I well remember the days when my uncle was on the ground floor of computer technology, tinkering with machines the size of refrigerators. I remember reading George Orwell's 1984 and laughing that such a far-in-the-future actually arrive. We are well past 1984, figuratively and literally. Pandemonium's Engine will show you just how far past and prepare.

Reptilians--an ancient galactic civilization obsessed with conquest and domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through "Operation Paperclip," the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British "supersoldiers" who participated in the "20 and Back" age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system. The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.

IS THE NEXT GREAT AWAKENING RIGHT AROUND THE CORNER? In the midst of intense global societal discord--persecution, rights activism, racial tension, intense political hostility, and the resurgence of anti-establishment counterculture--many have lost faith in governments and even in church leadership to provide answers and stability. But this feeling--this underlying sensation that pricks our national cognition with a constant needling, demanding to be fought against and yet powerful enough that it inspires hopeless demoralization--has occurred before. From the Bohemian Reformation of John Wycliffe and Jan Hus in the 1300s to the "Jesus People" of the 60s and 70s, every era ripe with public dejection and faith-drought foreshadowed spiritual awakenings. These often began in the unlikeliest of places by the most inconceivable of personalities, and then spread like uncontrollable brushfires across the land resulting in millions surrendering their hearts and lives to the Lord. As today's world becomes more desperate to experience such personal meaning and social healing, the world is inadvertently moving toward another Great Awakening! IN FINAL FIRE, YOU WILL LEARN: \*How God used simple men, women, and youth of the past--"unqualified" by human and finite standards--to irreversibly change the world.\* What practices were employed that reformed traditional "religious rituals" into personal relationships with Christ, and how those methods are poised to be repeated in the near future. \*Why the age of social networking through virtual technology is keeping families and communities from real human relationships, how this relates to an international and spiritual hunger for revival, and how this very same technology will pave the way for an even vaster spreading of the Gospel.\* Which current events are now contributing to the largescale unrest mankind all feels, and how this is lining up to unleash what these authors believe to be the Greatest Awakening yet! \*Evidence from around the globe that the Awakening may have already started, and will be joined by growing demonstrations of miracles, healings, prophetic visions, and angels in the days just ahead!

Following the release of their international best-seller, Exo-Vaticana, Thomas Horn and Cris Putnam were inundated with requests from around the world to be interviewed on radio, television, and in print media. What they discovered sent shockwaves through Christianity concerning the Vatican's advanced telescope, which sits on top of Mt. Graham in Arizona (USA) where the Jesuits admit they are monitoring "something" approaching the earth. After the author's initial report was published in Exo-Vaticana, the pope's top astronomer took to the

airwaves and on the Vatican Observatory website to try and explain the role that he and other church astronomers are playing with regards to emerging “ET Friendly” theology, their association with the LUCIFER device at Mt. Graham, and their developing doctrines concerning extraterrestrial life and the impact it may have on planet Earth's religions; Christianity in particular. Now, armed with fresh information from the native peoples (that failed before a federal appeals court to stop the construction of the Vatican's observatory on one of their four holiest mountains), the authors set out with cameras and field investigators to unearth their most astonishing discovery yet. The mountain is said to be a portal, a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. NOW, FOR THE FIRST TIME, ON THE PATH OF THE IMMORTALS REVEALS... • Unveiled! What Mt. Graham really is, and why NASA and the Vatican are there • Disclosed! What the Bible says about gateways and the beings that wait behind them • Discovered! Scientific evidence of, and signals from, life beneath the surface of the earth • Found! The ancient stargates and their association with vortex manifestations • Revealed! The role of CERN's Large Hadron Collider and its search for a portal • Uncovered! Gobekli tepe, Baalbek, and the secrets of the coming immortals • Deciphered! The worldwide grid that ties “them” all together • Exposed! The occult's countdown calendar for the return of their “gods” • Unearthed! Giants, cryptids, and their mysterious connection with “gates” In On the Path of the Immortals, internationally acclaimed, investigative authors Thomas Horn and Cris Putnam continue the greatest investigation of our time by exposing the facts kept hidden from the public by elitists and intellectuals who are planning mankind's assimilation under a coming “savior,” one whom the prophet Daniel foresaw as “an alien god.”
