Holding Tight to Permanent in a World That's Passing Away

Read and Learn Bible

Fascinating Bible Facts

The Awesome Book of Bible Facts

A comprehensive reference designed to promote interest in biblical history and culture includes such features as "25 Facts about Music and Poetry" and "35 Facts about Ancient Rulers." Samuel Abraham lets Bible chronology, history, and prophecy tell the story of where humanity came from and where it is going. He addresses the new and experienced believer about what God expects of His human children before Jesus returns and outlines the glorious future God has for those who accept His gracious plan of salvation.

Contains more than 4,500 questions and answers about the Bible and the people, places, and events described in it.

*Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, **The Book That Made Your World** will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has*

File Type PDF The Amazing Bible Fact Book For Kids

uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: "This is an extremely significant piece of work with huge global implications. Vishal brings a timely message." (Ravi Zacharias, author, Walking from East to West and Beyond Opinion) "In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible's profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism." (Stanley Mattson, founder and president, C. S. Lewis Foundation) "Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization." (George Marsden, professor, University of Notre Dame; author, Fundamentalism and American Culture)

Strange Facts about the Bible

Timeless stories from the Bible for children and parents to share. Parents and children can deepen their understanding

File Type PDF The Amazing Bible Fact Book For Kids

of the Bible by reading Bible stories together. The Read and Learn Bible features stories from the Old and New Testament including: Genesis, Noah and the Flood, Exodus, Daniel in the Lion's Den, The Story of Queen Esther, The Nativity, Jesus the Teacher, Jesus Comes to Jerusalem, and many more. Illustrated in full color with callouts to help deepen the meaning of the stories, and parent pages to help in discussion, this is a Bible that children can share with their parents, and that parents will want to share with their children. Kids are curious about Jesus and God and yet, by the time they are teens, the majority stop asking questions about faith and starting questioning faith altogether. Respected Christian apologist Josh McDowell encourages children to stand on the foundation of truth with this contemporary gathering of concise, welcoming answers for kids ages 8 to 12. A fun format includes key Bible verses and pre-teen friendly explorations of topics that matter most to kids: God's love and forgiveness Right and wrong and making choices Jesus, the Holy Spirit, and God's Word Different beliefs and religions Church, prayer, and sharing faith The next time a child asks "Who is God?" parents, grandparents, and church leaders will want this practical and engaging volume handy. Helpful tips and conversation ideas for adults will help them connect with kids hungering for straight talk about faith in Jesus.

In a time of so many distractions from television, to the internet, movies, and more Bible study is fast becoming obsolete. Who in the world has time to open the Book? Yet God promises huge blessings for those who daily receive His bread of truth. In this inspiring booklet, Pastor Doug shows you the power of God's Word to change your life and the tremendous need to return to the source of our faith. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She

File Type PDF The Amazing Bible Fact Book For Kids

wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Immerse yourself in the sights and sounds, places and tastes of Bible times ... it's a journey you will never forget! The Bible Explorer's Guide: Is packed full of 1,000 amazing facts and fascinating photos showing everyday life during Bible times Features gorgeous full-color photography of people, places, and artifacts in 1st century Jerusalem Includes a Bible timeline and a who's who section with mini-biographies of people from both the Old and New Testaments Contains sections such as "Problems and Plagues in Egypt", "Trumpets, Feasts, and Holy Days", and "Enter the Gates of the Holy City" Is a great addition to any home or school library

Even considering such questions alerts the modern reader to the limitations of ancient history, as well as to the great distance of time, culture, and language, between the biblical writer and the current reader. IS THE BIBLE FACT OR FICTION? invites the reader to look at the "historical books" of the Bible, not from the standpoint of what actually happened, but to understand the type of history the biblical authors were actually writing. Organ wrote this book out of frustration with uncritical reading of various genres of biblical texts. She felt that the "historical books"--such as Acts of the Apostles and the Old Testament chapters of Maccabees, and Joshua though Kings--are most susceptible of being read in a naive and literal way. Most readers fail to take into account modern expectations of historical accuracy vs. the preconceptions of the ancient writers. Her book focuses on the style, creativity, and individuality of the biblical writers/historians and the richness of their work and examines their accounts through the lens of modern scholarship. An ultimate one-volume Bible encyclopedia is loaded with charts, information and more than 100,000 Bible facts. The Bible is the Word of God, but even on
