

The Stand

HOW TO UPEND YOUR LIFE: Get fired by gross, handsy boss Fail to do laundry (again) Be mistaken for famous Chinese actress Fall head-first into glitzy new world Gracie Reed is doing just fine. Sure, she was fired by her overly "friendly" boss, and yes she still hasn't gotten her mother into the nursing home of their dreams, but she's healthy, she's (somewhat) happy and she's (mostly) holding it all together. But when a mysterious SUV pulls up beside her, revealing Chinese cinema's golden couple Wei Fangli and Sam Yao, Gracie's world is turned on its head. The famous actress has a proposition: due to their uncanny resemblance, Fangli wants Gracie to be her stand-in. The catch? Gracie will have to be escorted by Sam, the most attractive—and infuriating—man Gracie's ever met. If it means getting the money she needs for her mother, Gracie's in. Soon Gracie moves into a world of luxury she never knew existed. But resisting Sam, and playing the role of an elegant movie star, proves more difficult than she ever imagined—especially when she learns the real reason Fangli so desperately needs her help. In the end all the lists in the world won't be able to help Gracie keep up this elaborate ruse without losing herself...and her heart.

This book scrutinizes the emergence of historians participating as expert witnesses in historical forensic contribution in some of the most important national and international legal ventures of the last century. It aims to advance the debate from discussions on whether historians should testify or not toward nuanced understanding of the history of the practice and making the best out of its performance in the future.

The Stand is a classic tale of good vs. evil, loss weighed against redemption and despair pitted against hope. It is an apocalyptic vision of man's battle to save life against a worldwide plague of death. When the viral strain dubbed "Captain Trips" works its way across the face of the country, the painfully few survivors are launched into a nightmare that's only just beginning - but for the Dark Man, Randall Flagg, it's a dream come true. Based on the masterpiece of apocalyptic horror by celebrated author Stephen King, this lavish adaptation is packed with extras in a two-volume slipcased set! COLLECTING: The Stand : Captain Trips 1-5, The Stand: American Nightmares 1-5, The Stand: Soul Survivors 1-5, The Stand: Hardcases 1-5, The Stand : NO MAN'S LAND 1-5, The Stand: THE NIGHT HAS COME 1-5

Production Research Report

The definitive guide to The Stand miniseries, featuring the new Coda from Stephen King himself. In an apocalyptic vision of a world decimated by plague and embroiled in an elemental struggle between good and evil, the fate of mankind rests on the frail shoulders of the 108-year-old Mother Abigail and a handful of survivors. Their worst nightmares are embodied in a man with a lethal smile and unspeakable powers: Randall Flagg, the Dark Man. In 1979 Stephen King published The Stand, a massive apocalyptic tale that set the standard for all those stories that followed. The book was another King bestseller, leading to the release of The Complete and Uncut version in 1990, a 1994 ABC four-part mini-series and a 31-issue Marvel Comics adaptation in 2009. The new 9-episode series for CBS All Access, which premiered at the end of 2020, revisits King's opus to bring the story into the 21st Century. This new version will feature a brand-new coda written specifically for the new series by Stephen King himself.

AN INSTANT NEW YORK TIMES BESTSELLER “I absolutely loved Invisible Girl–Lisa Jewell has a way of combining furiously twisty, utterly gripping plots with wonderfully rich characterization–she has such compassion for her characters, and we feel we know them utterly… A triumph!” –Lucy Foley, New York Times bestselling author The #1 New York Times bestselling author of Then She Was Gone returns with an intricate thriller about a young woman's disappearance and a group of strangers whose lives intersect in its wake. Young Saffyre Maddox spent three years under the care of renowned child psychologist Roan Fours. When Dr. Fours decides their sessions should end, Saffyre feels abandoned. She begins looking for ways to connect with him, from waiting outside his office to walking through his neighborhood late at night. She soon learns more than she ever wanted to about Roan and his deceptively perfect family life. On a chilly Valentine’s night, Saffyre will disappear, taking any secrets she has learned with her. Owen Pick’s life is falling apart. In his thirties and living in his aunt’s spare bedroom, he has just been suspended from his job as a teacher after accusations of sexual misconduct–accusations he strongly denies. Searching for professional advice online, he is inadvertently sucked into the dark world of incel forums, where he meets a charismatic and mysterious figure. Owen lives across the street from the Fours family. The Fours have a bad feeling about their neighbor; Owen is a bit creepy and suspect and their teenage daughter swears he followed her home from the train station one night. Could Owen be responsible? What happened to the beautiful missing Saffyre, and does her disappearance truly connect them all? Evocative, vivid, and unputdownable, Lisa Jewell’s latest thriller is another “haunting, atmospheric, stay-up-way-too-late read” (Megan Miranda, New York Times bestselling author).

--THE SPREAD: BOOKS 1-3 (The Hill, The Village, The Stand) for a fantastic price!-- The most invasive species... The Scottish Highlands; a sparse, mountainous region some say was carved by the gods themselves. Few places are as untouched as this harsh, prehistoric land. But nestled deep within the wilderness lies a cottage, and that cottage is a hill... When a group of friends travel up from Manchester and hire for the cottage for a weekend of boozy fun, they discover a threat far greater than the harsh landscape and unforgiving weather. Something deadly lies upon the hill. And it's spreading. Soon, there will be nothing left. If you love claustrophobic horror with a dashing of body-horror then 'The Spread' will knock your socks off. Excerpt: Rose Red (also known as Stephen King's Rose Red) is a television miniseries scripted by horror novelist Stephen King. The series was premiered in the United States on ABC on January 27, 2002. The story involves a cavernous Seattle mansion called Rose Red, which is investigated by parapsychologist Dr. Joyce Reardon and a team of psychics. Dr. Joyce Reardon, an unorthodox university psychology professor, leads a team of psychics to the massive and antiquated Seattle mansion known as Rose Red in an attempt to record data which would constitute scientific proof of paranormal phenomena. The mansion is publicly thought to be haunted, as at least 23 people have either disappeared or died there and the interior of the house appears to change or increase in size. Reardon's team unleashes the spirit of the house, leading to several deaths and the revelation of the mansion's secrets. According to information revealed at various points in the miniseries, Rose Red was built in 1906 by wealthy oilman John Rimbauer for his wife, Ellen. Rimbauer used much of his wealth to build the mansion, which was in the Tudor-Gothic style and situated on 40 acres (160,000 m) of woodland in the heart of Seattle on the site of a Native American burial ground. The house was rumored to be cursed even as it was being constructed; three construction workers were killed on the site, and a construction foreman was murdered by a co-worker. While honeymooning in Africa, Ellen Rimbauer fell ill and made the acquaintance of Sukeena, a local tribeswoman. The two...

“A horror landmark and a work of gory genius.”—Joe Hill, New York Times bestselling author of The Fireman New York Times bestselling author Daniel Kraus completes George A. Romero's brand-new masterpiece of zombie horror, the massive novel left unfinished at Romero's death! George A. Romero invented the modern zombie with Night of the Living Dead, creating a monster that has become a key part of pop culture. Romero often felt hemmed in by the constraints of film-making. To tell the story of the rise of the zombies and the fall of humanity the way it should be told, Romero turned to fiction. Unfortunately, when he died, the story was incomplete. Enter Daniel Kraus, co-author, with Guillermo del Toro, of the New York Times bestseller The Shape of Water (based on the Academy Award-winning movie) and Trollhunters (which became an Emmy Award-winning series), and author of The Death and Life of Zebulon Finch (an Entertainment Weekly Top 10 Book of the Year). A lifelong Romero fan, Kraus was honored to be asked, by Romero's widow, to complete The Living Dead. Set in the present day, The Living Dead is an entirely new tale, the story of the zombie plague as George A. Romero wanted to tell it. It begins with one body. A pair of medical examiners find themselves battling a dead man who won't stay dead. It spreads quickly. In a Midwestern trailer park, a Black teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US aircraft carrier, living sailors hide from dead ones while a fanatic makes a new religion out of death. At a cable news station, a surviving anchor keeps broadcasting while his undead colleagues try to devour him. In DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

It began -- and ended -- in 1958 when seven children searched in the drains beneath Derry for an evil creature, but in 1985, Mike, once one of those children, makes six phone calls and disinters an unremembered promise that sets off the ultimate terror.

Choice Outstanding Academic Title for 2008 The U.S. Supreme Court has decided that states may require parental involvement in the abortion decisions of pregnant minors as long as minors have the opportunity to petition for a bypass of parental involvement. To date, virtually all of the 34 states that mandate parental involvement have put judges in charge of the bypass process. Individual judges are thereby responsible for deciding whether or not the minor has a legitimate basis to seek an abortion absent parental participation. In this revealing and disturbing book, Helena Silverstein presents a detailed picture of how the bypass process actually functions. Silverstein led a team of researchers who surveyed more than 200 courts designated to handle bypass cases in three states. Her research shows indisputably that laws are being routinely ignored and, when enforced, interpreted by judges in widely divergent ways. In fact, she finds audacious acts of judicial discretion, in which judges structure bypass proceedings in a shameless and calculated effort to communicate their religious and political views and to persuade minors to carry their pregnancies to term. Her investigations uncover judicial mandates that minors receive pro-life counseling from evangelical Christian ministries, as well as the practice of appointing attorneys to represent the interests of unborn children at bypass hearings. Girls on the Stand convincingly demonstrates that safeguards promised by parental involvement laws do not exist in practice and that a legal process designed to help young women make informed decisions instead victimizes them. In making this case, the book casts doubt not only on the structure of parental involvement mandates but also on the naïve faith in law that sustains them. It consciously contributes to a growing body of books aimed at debunking the popular myth that, in the land of the free, there is equal justice for all.

The Art and Making of The Stand

Scott Burgess has crafted a most intriguing commentary on Revelation's Old Testament counterpart. Readers will treasure The Stand: Jesus in the Book of Daniel for its educational and devotional value. It not only aids in deciphering mysteries and symbols but also encourages and promotes complete dedication to our Lord and Savior as it highlights the central theme of standing unsullied in the end-time judgment. The author upholds the traditional Adventist methodology of allowing Scripture to interpret itself, and looking to history to confirm fulfilled prophecy. With that said, he also introduces a number of fresh insights. He highlights fascinating linguistic and conceptual connections with other portions of Scripture that many of us have not identified before. Those who pore over this tome will

find a number of areas they readily agree with, and other areas that will require prayerful reflection before forming a decision, but nearly all will acknowledge Burgess' skillful manner of provoking prayerful thought and contemplation. What makes any book like this truly worthwhile is the presence of Christ. Burgess stresses the ubiquity of His manifestation throughout the book—as the One who rules the universe, past, present, and future; and as the One who empowers His people to withstand the fiercest opposition for the sake of faithfulness to Him and His commandments. Jesus offers the same empowerment to us, especially as imminent events parallel what the four Hebrews experienced. This 2,500-plus-year-old document speaks to us today.

The esteemed Harvard lawyer and best-selling author of Chutzpah describes his career and the cases that have changed American jurisprudence throughout the past half century, providing coverage of such topics as his early academic struggles, his clerking work for Supreme Court Justice Arthur Goldberg and his role in such cases as the O.J. Simpson trial and the Leona Helmsley defense.

When Brooks volunteered to be a stand-in for Burdette's cousin who got stood up for Homecoming, it was with the noblest of intentions—helping a fellow human being, free of charge. But when he gets a tip of more than three hundred bucks, word spreads quickly and Brooks seizes the opportunity to offer his impeccable escort services to super-wealthy parents who want their daughters to experience those big social events of senior year. Besides, Brooks could use the cash to hire a tutor to get admitted to Columbia University. So what if along the way he goes along with a few minor deceptions and cuts a few moral corners? What could be the harm?

Taking the Stand

80s Midnight Chillers

Contributions by Jared N. Champion, Miriam M. Chirico, Thomas Clark, David R. Dewberry, Christopher J. Gilbert, David Gillota, Kathryn Kein, Rob King, Rebecca Krefting, Peter C. Kunze, Linda Mizejewski, Aviva Orenstein, Raúl Pérez, Philip Scepanski, Susan Seizer, Monique Taylor, Ila Tyagi, and Timothy J. Viator Stand-up comedians have a long history of walking a careful line between serious and playful engagement with social issues: Lenny Bruce questioned the symbolic valence of racial slurs, Dick Gregory took time away from the stage to speak alongside Martin Luther King Jr., and—more recently—Tig Notaro challenged popular notions of damaged or abject bodies. Stand-up comedians deploy humor to open up difficult topics for broader examination, which only underscores the social and cultural importance of their work. Taking a Stand: Contemporary US Stand-Up Comedians as Public Intellectuals draws together essays that contribute to the analysis of the stand-up comedian as public intellectual since the 1980s. The chapters explore stand-up comedians as contributors to and shapers of public discourse via their live performances, podcasts, social media presence, and political activism. Each chapter highlights a stand-up comedian and their ongoing discussion of a cultural issue or expression of a political ideology/standpoint: Lisa Lampanelli's use of problematic postracial humor, Aziz Ansari's merging of sociology and technology, or Maria Bamford's emphasis on mental health, to name just a few. Taking a Stand offers a starting point for understanding the work stand-up comedians do as well as its reach beyond the stage. Comedians influence discourse, perspectives, even public policy on myriad issues, and this book sets out to take those jokes seriously.

Romania's external position continues to improve. Inflation peaked in December 2010, and is now likely to decline. Financial market stress has remained relatively low in recent months. The current account deficit improved from 131/2 percent of GDP in 2007 to about 41/4 percent of GDP in 2010, driven by a strong shrinking trade deficit. Significant progress has been made under the Stand-By Arrangement (SBA) in achieving fiscal consolidation and safeguarding the financial sector.
